Hello there,

I am launching a digital project to raise public awareness and support for prisoners here in the US. All of the prisoners have been unjustly sentenced to die in prison. During my research, I found your refugee web design here: <https://lessrefugees.com/>

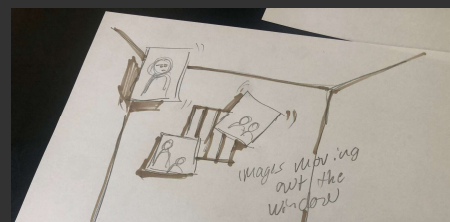

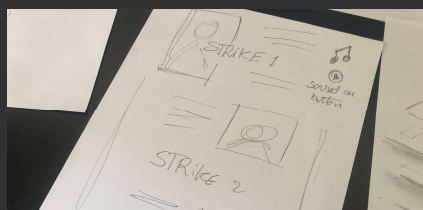

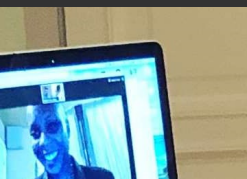

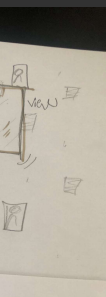

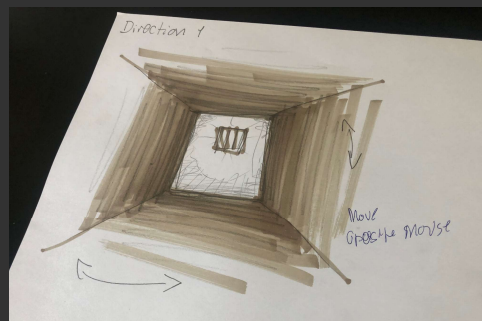

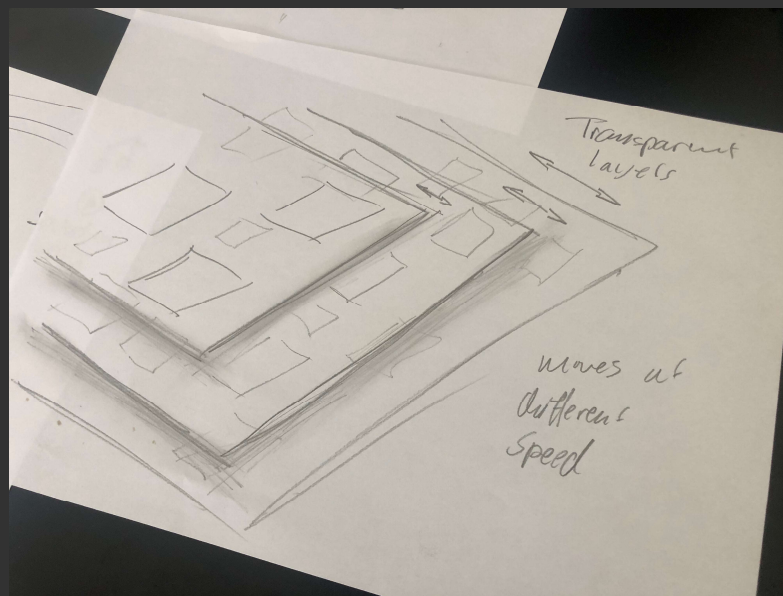

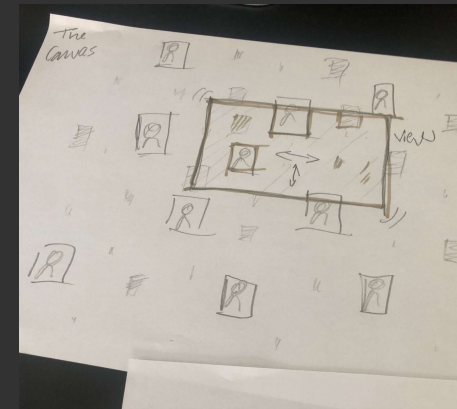

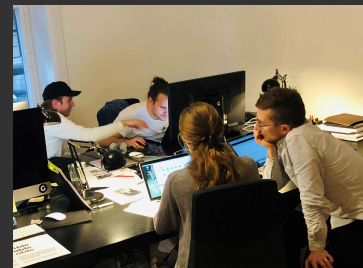

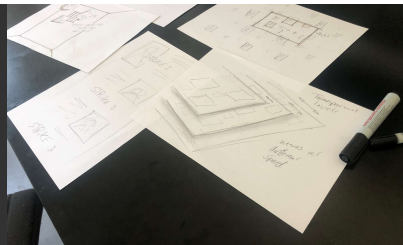

I really like how the website centers the faces of those affected by injustice. It is really simple and impactful. I have a limited non-profit budget. But I am wondering how much it would cost to recreate this same web design for my project as well.

Thanks in advance for your response,  
MiAngel C

# Pusha T se junta a Ms. Lauryn Hill na inédita "Coming Home"

Lutar para libertar pessoas que ainda cumprem prisão perpétua sob as leis federais de drogas. Esse é o objetivo da campanha iniciada por Pusha T em parceria com as advogadas Mangel Cody e Brittany K. Barnett, que pretende arrecadar US\$ 25 mil dólares para ajudar na libertação de condenados (a maioria negros) por crimes relacionados a posse de drogas.

Chamada de "Third Strike Coming Home" (fazendo referência às leis que punem severamente reincidentes presos pela terceira vez), o movimento teve início com a música que King Pusha

Hi Granyon team and Mikkel:

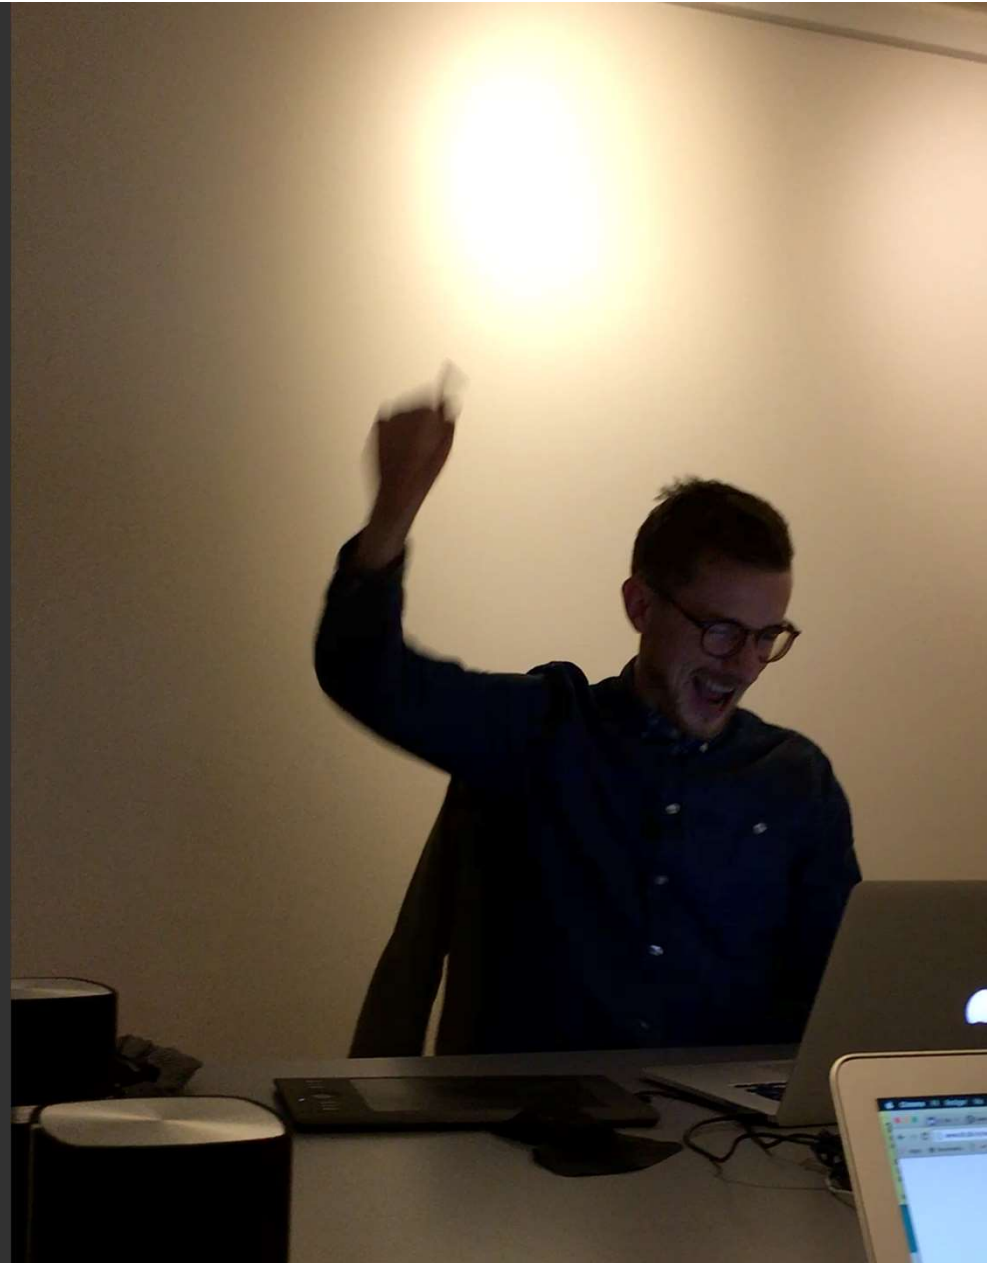

Thank you so very much! I'll email the photos very soon.  
And... here we are in the middle of revolution. It's such a beautiful beautiful mess in America. People are AWAKE and that is truly immaculate.

Saving these men from dying in prison is my and Brittany's contribution to the Resistance. For every single life our government takes, we free two more. The 50 men and women we saved already survived 1000 years of human caging. That is pure proof that we can't be defeated. I hope you find some way to communicate that. In the meantime, my vibe is to protect joy; stay loud; and fuck some shit up! 🍊

In solidarity,  
MiAngel
